BILLING CODE 4184-01-M

Revised Federal Allotments to State Developmental Disabilities Councils and Protection and Advocacy Formula Grant Programs for Fiscal Year 1996

AGENCY: Administration on Developmental Disabilities, Administration for Children and Families, Department of Health and Human Services.

ACTION: Notification of Revised Fiscal Year 1996 Federal Allotments to State Developmental Disabilities Councils and Protection and Advocacy Formula Grant Programs.

SUMMARY: This notice sets forth the revised Fiscal Year 1996 individual allotments and percentages to States administering the State Developmental Disabilities Councils and Protection and Advocacy programs, pursuant to Section 125 and Section 142 of the Developmental Disabilities Assistance and Bill of Rights Act (Act). This revision is required because the input of the population data for one of the States was in error. The revised amounts published herein supersede those published in the **Federal Register** on March 21, 1995, (54 FR 14943).

The amounts published herein are based upon Fiscal Year 1995 funding

levels, and are contingent upon Congressional appropriations for Fiscal Year 1996. If Congress enacts and the President approves an amount different from the Fiscal Year 1995 appropriation, the allotments will be adjusted accordingly. These allotments reflect the appropriated funds allocated to the States based on the most recent data available for population, extent of need for services for persons with developmental disabilities, and the financial need of the States.

EFFECTIVE DATE: October 1, 1995.

FOR FURTHER INFORMATION CONTACT: Bettye J. Mobley, Chief, Family Support Branch, Office of Financial Management, Administration for Children and Families, Department of Health and Human Services, 370 L'Enfant Promenade SW., Washington, DC 20447, Telephone (202) 401-6955.

SUPPLEMENTARY INFORMATION: Section 125(a)(2) of the Act requires that adjustments in the amounts of State allotments may be made not more often than annually and that States are to be notified not less than six (6) months before the beginning of any fiscal year of any adjustments to take effect in that fiscal year. It should be noted that, as required, Palau's allotment has been adjusted to seventy-five percent of its Fiscal Year 1995 allotment.

The Administration on Developmental Disabilities has updated the data elements for issuance of Fiscal Year 1996 allotments for the Developmental Disabilities formula

grant programs. The data elements used in the update are:

A. The number of beneficiaries in each State and Territory under the Childhood Disabilities Beneficiary Program, December 1993, are from Table 5.J10 of the "Social Security Bulletin: Annual Statistical Supplement 1994" issued by the Social Security Administration, U.S. Department of Health and Human Services. The numbers for the Northern Mariana Islands and the Trust Territories of the Pacific Islands, were obtained from the Social Security Administration;

B. State data on Average Per Capita Income, 1989-93, are from Table 2 of the "Survey of Current Business," September 1994, issued by the Bureau of Economic Analysis, U.S. Department of Commerce; comparable data for the Territories also were obtained from that Bureau; and

C. State data on Total Population and Working Population (ages 18-64) as of July 1, 1993, are from "Current Population Reports: Population Estimates and Projections, Series P-25, Number 1010, issued by the Bureau of the Census, U.S. Department of Commerce. Estimates for the Territories are no longer available, therefore, the Territories population data are from the 1990 Census Population Counts. The Territories' working populations were issued in the Bureau of Census report, "General Characteristics Report: 1980," which includes the most recent data available from the Bureau.

¹ This amount is \$806,682 less than the 1995 appropriation level. These funds are set aside for funding technical assistance and American Indian Consortiums. Public Law 103-230 authorizes spending up to two percent (2%) of the amount appropriated under Section 143 to fund technical assistance. American Indian Consortiums are eligible to receive the minimum amount under Section 142(c)(1)(A)(i). Unused funds will be reallocated in accordance with Section 142(c)(1) of the Act.

Dated: July 7, 1995.

Bob Williams,

*Commissioner, Administration on
Developmental Disabilities.*

Community Coalition Partnership Programs for the Prevention of Teen Pregnancy

Introduction

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 1995 funds for cooperative agreements to support the efforts of "hub" organizations to strengthen and evaluate the effectiveness of their community program to prevent initial and repeat teen pregnancies and related problems.

These cooperative agreements will support demonstration projects to plan for the implementation of appropriate and effective prevention intervention strategies for reaching the greatest proportion of teenagers in communities with high rates of teen pregnancy. "Hub" organizations are also encouraged, to the extent that it is feasible and desirable within their communities, to establish linkages with and participate in existing community-based efforts funded by the Federal government or others to prevent HIV/AIDS, sexually transmitted diseases, and first and repeat pregnancies among teenagers.

The Public Health Service (PHS) is committed to achieving the health promotion and disease prevention
